

12th Internal Conference of the SFB/TR 15
“Governance and the Efficiency of Economic Systems”
October 20-22, 2010
Gustav-Stresemann-Institut, Bonn

PLEASE REGISTER BY AUGUST 24, 2010

INVITATION AND CALL FOR PAPERS

The conference’s goal is to prepare the application for the final funding period (2012-2015) of the SFB TR 15. Therefore, the format of this conference differs from previous meetings:

The board has invited 19 potential projects to submit their proposal by the end of November. At the conference, each of these 19 projects is given up to 10 minutes to **present its research proposal** for the period 2012 – 2015. This part of the conference helps projects to find possible connections amongst each other which again, will be crucial for a positive evaluation of our application.

In addition, each of the 19 projects selects a **representative paper** to be presented in the usual manner (30 minutes talk followed by 5 minutes comments from an official discussant and 10 minutes of general discussion).

The conference starts on **Wednesday, October 20, 4:00 p.m.** and ends on **Friday, October 22, at noon**. The meeting of the board starts on Friday at 1 p.m.

All project leaders and all postdocs paid by SFB funds are expected to participate. Please confirm your participation by sending an e-mail to **info@sftr15.de** **by August 24, 2010** the latest.

Each project is asked to **select the paper to be presented at the conference and to submit it until August 24** to enable the discussant a solid preparation of comments.
