Invitation and Call for Papers

Dear Colleagues and Friends,

We would like to invite you to submit your work to the 12th SFB/TR15 workshop for young researchers (PhD students, PostDocs, Assistant Professors). The workshop will take place at the Ludwig-Maximilians-Universität on October 30-31, 2015 and starts on Friday afternoon.

Georg Gebhardt (Univ. Ulm) and Daniel Metzger (SSE Stockholm) will give Keynote lectures.

The idea of the workshop is to present and discuss work in progress or research ideas. Each participant will have ample time for presenting his or her work. We particularly invite early stage work. We will bring together groups of 5-6 people of similar methodological background, who contribute ideas, methods, applications, and solutions. Depending on the number of participants we will arrange for parallel or plenary sessions.

You may submit your paper (together with some questions that you would like to discuss at the workshop) beforehand and we will distribute it to the participants. A beamer presentation is not mandatory.

The submission deadline is September 15, 2015. Please submit a title and an abstract to Martin Watzinger (Martin.Watzinger@econ.lmu.de). You can also register to participate without presenting. Board and lodging is taken care of. Travel expenses will be reimbursed by the local nodes. The final program will be sent to all participants after the submission deadline. If you have questions or additional ideas, do not hesitate to contact us.

We look forward to your submissions and to seeing you in Munich in October!

Best regards,

Stefan Terstiege, Cédric Wasser, Martin Watzinger, Matthias Lang, Andras Niedermayer, Martin Pollrich and Claudia Salim
