Invitation and Call for Papers

Dear Colleagues and Friends,

We would like to invite you to submit your work to the eighth SFB/TR15 workshop for young researchers (PhD students, PostDocs, JProfs). The workshop will take place at the **University of Munich on November 8–9, 2013** and starts on Friday afternoon.

The idea of the workshop is to present and discuss work in progress or research ideas. Each participant will have ample time for presenting his or her work. We will bring together groups of 5-6 people of similar methodological background, who are expected to contribute ideas, methods, applications, and solutions. Depending on the number of participants we will arrange for parallel or plenary sessions. There will also be two invited speakers. You may submit your paper (together with some questions that you would like to discuss at the workshop) beforehand and we will distribute it to the participants. There will be no mandatory beamer presentations or formal discussants, but you are encouraged to prepare a handout for the other participants.

The submission deadline is **July 31, 2013**. Please submit a title and an abstract to Martin Watzinger (martin.watzinger@lrz.uni-muenchen.de). You can also register to participate without presenting. Board and lodging is taken care of. Travel expenses will be reimbursed by the local nodes. The final program will be sent to all participants after the submission deadline. If you have questions or additional ideas, do not hesitate to contact us.

Best regards,

Andras Niedermayer
Petra Nieken
Martin Watzinger
