Bonn, 12.12.2012

Dear Colleagues and Friends,

We would like to invite you to submit your work to the seventh SFB/TR15 workshop for young researchers (PhD students, PostDocs, JProfes). The workshop will take place at the Gustav-Stresemann-Institut in Bonn on April 19–20, 2013 and starts on Friday afternoon, immediately after the regular SFB spring conference.

The idea of the workshop is to present and discuss work in progress or research ideas. Each participant will have a 90-minute session for presenting his or her work. We will bring together groups of 5-6 people of similar methodological background, who are expected to contribute ideas, methods, applications, and solutions. Depending on the number of participants we will arrange for parallel or shorter plenary sessions. There will also be two invited speakers. You may submit your paper (together with some questions that you would like to discuss at the workshop) beforehand and we will distribute it to the participants. There will be no mandatory beamer presentations or formal discussants, but you are encouraged to prepare a handout for the other participants.

The submission deadline is **February 10, 2013**. Please submit a title and an abstract to Petra Nieken (petra.nieken@uni-bonn.de). You can also register to participate without presenting. Board and lodging is taken care of. Travel expenses will be reimbursed by the local nodes. The final program will be sent to all participants after the submission deadline. If you have questions or additional ideas, do not hesitate to contact us.

Best regards,

Andras Niedermayer

Petra Nieken
